CRAFT BURGERS & BEERS

## HISTORY OF SAMMY'S

Sammy Flores, owner, has always dreamed big. As a child he aspired to be a professional soccer player in his native country, Mexico. At the age of 18, he joined his first professional team, Oro. An injury cut his career short, but that didn't stop Sammy from reaching for his next goal. He wished to move to the United States, obtain citizenship and become successful living the American Dream. What better way to honor his own American Dream than specializing in the iconic American Favorite: Burgers & Beers. Thus, SAMMY'S GOURMET BURGERS AND BEERS was born in 2009. Sammy has expanded his craft to offer catering options upon request. Sammy's Craft Burgers and Beers hold the original menu with a few new fan favorites. It also highlights Sammy's love for soccer. Sammy's hopes to always feel like family. A great place to enjoy craft beers, burgers and soccer or any other sport you desire!
